## Food & Beverage

Our couples invest a lot in their special day, so it is very important to us that the caterer selected is trusted to deliver great service from the planning stages to the food quality, presentation, execution and clean up.

Our caterers know the ins and outs of our facility, are consistent, understand our policies and are trusted to take excellent care of our customers. ***For this reason and more, we do ask that our couples choose one of the caterers from our carefully selected vendor list for their event food needs.***

Our list of ten caterers offer a wide range of affordable options for every taste and budget. A number of the caterers offer an optional bar package with their services, making it even easier to plan your day with a single contact for food and beverage.

You can also opt to use a separate beverage service/ bartending company, in which case, we highly recommend sticking to our list. It is required that the company used is licensed with licensed bartenders and understands the *rules and procedures* of the Riviera Ballroom.

# *Ceremony*

Many of our couples choose to get married on location, and there is no extra charge for hosting your ceremony at the Riviera. Ceremonies take place in the ballroom, and there is a short transition while the caterer shifts the tables and chairs into place for the reception. We unfortunately do not have an outdoor ceremony location.

To ensure a smooth transition, have the photographer take all guests out to the fountain for a large group photo while the staff is resetting the room. Or, take an hour long break for photos by the lake while the guests enjoy a refreshment at one of the restaurants across the street.
